

Partnering to Make Every Move Easier

To the professional behind the move,

My name is Nicole, and I am the owner of **Pack N Stack**, a locally owned moving tote rental company serving Central Illinois. Our mission is simple: make moving easier, more organized, and less stressful for the families in our community.

Instead of spending hundreds of dollars on cardboard boxes, tape, and packing supplies that often end up in the trash, our customers rent durable, stackable moving totes that are cleaner, stronger, weather-resistant, and ready to use. We even offer **free delivery and pickup**, allowing your clients to spend less time worrying about packing supplies and more time focusing on settling into their new home.

As a realtor, you work hard to create a smooth and memorable experience for your buyers and sellers long after the paperwork is signed. I'd love the opportunity to partner with you by providing Pack N Stack information that you can include in your closing packets, listing presentations, or welcome gifts.

How Pack N Stack Benefits Your Clients

- Saves money and time purchasing and building boxes
- Protects belongings with sturdy, reusable totes.
- Creates a cleaner, more organized move.
- Environmentally friendly by reducing cardboard waste.
- Convenient free delivery and pickup throughout our service area.

A Thoughtful Closing Gift

Instead of another cutting board or gift basket, imagine surprising your clients with a Pack N Stack moving package or a discount toward their rental. It's a practical gift they'll actually use during one of life's busiest transitions and one they'll remember long after move-in day.

I'd Love to Collaborate

I would be happy to provide complimentary brochures, flyers, or display materials for your office, open houses, or client welcome folders. I can also create exclusive discount codes for your clients so they receive added value simply by working with you.

More importantly, I want this partnership to benefit your business as much as mine. My goal is to become a trusted local resource that helps make your clients' moving experience exceptional.

Thank you for taking the time to learn about Pack N Stack. I'd love the opportunity to meet with you, answer any questions, and discuss how we can work together to better serve families throughout Central Illinois.

Sincerely,

Nicole Maas
